ABOUT ME

Front-End Developer graduate from TechPro Academy and holder of the Meta Front-End Developer Professional Certificate, with a strong foundation in **React, JavaScript, HTML,** and **CSS.** Bringing 10 years of hospitality experience, with strong communication, adaptability, problem-solving, and teamwork skills. Passionate about building responsive, user-focused web applications and continuously developing modern frontend skills. Eager to contribute to a professional development team and grow as a developer.

EDUCATION

JUNIOR DEVELOPER FRONT - END *2025-2026*
TECHPRO ACADEMY | THESSALONIKI, GREECE

META FRONT - END DEVELOPER PROFESSIONAL CERTIFICATE |ONLINE *2025-2026*

EXPERIENCE

FREELANCE FRONTEND DEVELOPER *Jan 2026-Present*

Design and develop responsive websites for local businesses using React, JavaScript, HTML5, and CSS3. Build reusable React components and user-friendly interfaces, integrate APIs and third-party services, and implement features such as forms, menus, galleries, and social media content. Manage projects with Git/GitHub, deploy using Vercel, and collaborate directly with clients to deliver solutions from development through deployment.

INTERNET TECHNICIAN |PSP *Nov 2025-Present*
THESSALONIKI, GREECE

Installing, troubleshooting, and maintaining internet and network services

HOSPITALITY PROFESSIONAL | GREECE *2015-2025*

Managed daily operations, customer service and staff training in the hospitality industry
